Why You Need Access to These Documents

A few of our essential documents go a long way in securing your future and your loved ones futures:

- **Living Will or Advanced Healthcare Directive** ensure your wishes for medical care are carried out when you are no longer able to act on your own behalf.
- **Durable Power of Attorney** allow a person you designate and trust to act on your behalf to make legal or financial decisions.
- **Last Will & Testament** allow you to specify exactly how you wish your assets to be distributed and guardianship of minors to be executed.

All of the above documents are vitally important and with LegacyShieldBuilder℠ you don’t have to wait, you can start creating them now.
